## PALISADE STEEL FENCING

Proudly Made in Canada

*Coming  
Soon*

**We're excited to announce the latest addition to our fence line:  
PALISADE FENCING**

**This innovative design brings a fresh, modern aesthetic to any outdoor space and offers versatile design options. Our new Palisade Fencing allows for both vertical and horizontal placement giving you unique design choices to suit various architectural styles and personal preferences. Choose between no spacing for maximum privacy and a solid look or choose traditional spacing for increased wind displacement and a classic picket fence feel. The clean lines and contemporary design of our Palisade Fence are engineered to transform any yard into a truly modern and eye-catching space that you can enjoy for years to come.**
